MEMORANDUM FOR: Director of Personnel

FROM: Harry E. Fitzwater
Deputy Director for AdministrationSUBJECT: Recruitment for the Office of Communications:
Resumptions of Task Force Effort

25X1

1. The Office of Communications (OC) once again faces a serious shortage of qualified personnel. Despite your significant efforts to recruit operators and technicians, the situation has steadily deteriorated to the point where OC is currently 65 under strength, with projections of 85-100 under strength by 31 March 1983. It appears that only 25 percent of OC's FY-83 recruitment goal will be achieved by February 1983. Should this rate continue, OC would be at least 80 personnel under ceiling with a probability of a considerably greater shortfall. In view of these current and projected personnel shortages, it is requested that the OC Task Force Recruitment Teams be reinstated as soon as possible.

2. Questions regarding this memorandum should be addressed to Chief, Human Resources Management Division, OC, Secure.
